

Investor Sentiment Survey for FAANG Stock Predictions

We are conducting an important survey to understand investor opinions and predict FAANG stock price movements. Your participation will provide valuable insights into market sentiment and help improve stock price forecasting models.

This survey will take about 5–10 minutes to complete. Your responses will remain completely anonymous and confidential. We are committed to protecting your privacy, and no personal information will be shared or used for any purpose beyond this research.

Thank you for your time and contribution.
